

4930 Paseo Tranquillo, San Jose

Newly Constructed Home at "Cambrian Park Place"
\$499,950

This generous-sized, substantial home is barely three years old (built in 2007). It has two floors, with the living area on the first and bedrooms on the second. The open layout and high ceilings make this grand house seem even larger.

What really gives this classic property its unique value are the details: lots of effort was put into building lasting quality. The first story has impressive cherry hardwood floors, recessed lighting and French doors, which open onto a flagstone back patio.

The kitchen is truly state-of-the-art, integrated with the entertainment and living areas. Offering lots of counter space and a convenient center island, it's as aesthetic as it is functional..
