

4414 Bel Estos Way, Union City

The beautifully remodeled kitchen features stainless steel appliances, stone slab countertops and backsplash, stained wood raised panel cabinets, and an easily cleaned tile floor. With the dining room open to the kitchen and the back patio only steps away through a sliding glass door, this will be a favorite place for people to gather.

Easy access to commute routes and to both sides of the SF Bay from this peaceful neighborhood make this an ideal long term home.
