Bright Sun-filled Contemporary Condominium

One of Summerhill Homes' distinctive newer developments in Palo Alto, this perfectly situated tri-level condo has the appeal of a single family home. The interior spaces are light filled with ample windows and high ceilings. The spacious deck off of the living room creates an inviting outdoor living space in addition to the beautifully landscaped common grounds throughout the condo community: walkways, BBQ, and children's play area. All this in one of the best locations on the Peninsula with its proximity to Stanford, the best public schools, shopping, recreation, and businesses. This home is not to be missed!
