

# 2468 W Bayshore Rd #7, Palo Alto

2BR/1BA | 906 sf | Built 1972 | Easy Commute to Google & Hi Tech Companies

This lower floor unit located in a well maintained and managed complex is one of the most affordable homes in Palo Alto.

White cabinets and white appliances make this kitchen a bright place to cook. A smooth top range and conveniently located stainless steel sink make clean up easy. Open to the dining area, you can maintain an easy conversation with family or guests while preparing food.

The spacious living room, open to the dining area, opens up to the balcony with a view of a green belt. Accommodate your guests with ease.

Gleaming wood laminate floor, a brick accent wall, and sliding glass balcony doors make the public area inviting.
