

4159 El Camino Way #E, Palo Alto

2BR/2BA | 1,1310 sf | Ground Level Condominium

This lovely ground level condominium is located towards the back of a recently renovated complex on the relatively peaceful El Camino Way rather than the bustling El Camino Real. Cafes and shops are a short walk away.

This unit has a personal patio in the front and a partially fenced backyard reachable through sliding doors in both bedrooms.

The spacious living room / dining area is open to the kitchen over a breakfast bar. Sliding doors lead to the front patio.

The kitchen is a modern Euro style: wood trimmed sleek white cabinets and smooth white easy clean solid surface counter tops.

Excellent schools: Briones Elementary, Terman Middle, Gunn High
