

The dining area is open to the living room and adjacent to the kitchen. Tomatoe plants are visible through the window.

The master suite has views of the back and side yards, an oak floor and a remodeled bathroom.

The bath features decorative plumbing fixtures and a shower with smooth synthetic surround.

The second bedroom has a built-in murphy bed, cabinets, and shelves maximizing space.

The third bedroom has a northern exposure perfect for afternoon studies.

The back yard has a patio and room for many activities. The far side yard has room for a small garden (currently tomatoe plants)
