

The kitchen has plentiful dark stone countertop area for big cooking events. Appliances are top quality stainless steel.

The living room, located at the front of the house, is separated from view of the family areas.

The spacious backyard is landscaped to incorporate the tranquility of Asian designs.

The spacious master bedroom has a vaulted ceiling, a carpeted floor, a walk-in closet and luxurious bath.

The master bath has a soaking tub, a separate glass shower, and lovely rectangular basins on a stone topped wood vanity.
