

533 Winterberry Way, San Jose 95129

2BR/1.5BA | 1,230 sf | Attached 1 Car Garage + 1 Car Carport | Patio

An efficient, easy to care for attractive home.

This two story townhome has a flexible floor plan having both a living room and a family room.

The living room, located on the ground floor, opens up to a fenced patio through sliding glass doors. A half bath is adjacent to it. This allows entertaining to be kept separate from your family's personal areas.

The family room, dining area, and kitchen form a spacious great room offering flexibility and plentiful space for activities.

This desirable home is an end unit and is located on a small street having little through traffic.

The complex has a clubhouse, pool, tennis court, and children's playground.

Highly rated Vargas Elementary, Hyde Middle, and Cupertino High.
