

The remodeled kitchen has recessed panel hardwood cabinets, stone counter tops and stone backsplash, a tile floor, and an electric range with overhead fan. It has plenty of space for family members and friends to help cook.

The family area has a fireplace and a view out over the public green area.

The good sized bedrooms have wood laminate floors and a view out over the back of the complex to the neighborhood.

The remodeled bath has a hardwood vanity with stone counter top, tile floor, and shower over tub with glass doors and tile surround.
