

Enjoy a classy state of the art kitchen with like new stainless steel appliances, elegant white cabinets complemented with a dark back splash & tile flooring. The counter area is great to use as a breakfast bar, especially for hosting parties!

Step into a spacious master bedroom with soft carpeted flooring, ample closet space and a warm, relaxing ambiance. Lovely windows off to the left bring in a perfect balance of natural lighting.

The en-suite master bath is complete with a dual stained wood vanity, tile flooring & synthetic surround.

Each additional bedroom includes new carpeting, back windows that invite plenty of natural lighting and a lovely open layout. One bedroom could even be used as office space!

Don't miss the back patio area - it is perfect for a small garden area or having your own private escape to indulge in.
