Stainless steel appliances, easy clean smooth surface sythetic counter tops, cheerful white cabinets and a warm wood floor create a warm ambiance for cooking.

The inviting living-dining area has a marble tiled fireplace and sliding glass doors leading to two different patios.

Upstairs bedrooms have carpeted floors. Bathrooms have smooth, sleek, synthetic counter tops over white vanities and recessed sinks. Shower/tub surrounds are again smooth easy clean synthetic surfaces.

The master bedroom has a triple mirrored door closet, and a large southeast facing windowed alcove perfect for reading or even a simple office area.

The laundry area is upstairs for easy access between closets, bedding, and the laundry.
