

Enjoy a modern & palatial kitchen with like new stainless steel appliances, elegant cherry wood cabinets -- complemented with a synthetic back splash & wood flooring.

Upon arriving on the top floor, step into one grand master suite with smooth carpeted flooring, lovely side windows, a large closet with triple sliding doors & ample storage space. A shower and tub combo are featured in the en-suite bath, complete with dual vanities, recessed lighting and tile flooring.

The second master suite is just as spacious, complete with soft hued carpeting to provide a restful aura. Windows off to the right bring in a lovely balance of natural lighting.

A fabulous walk in closet is the perfect complement to this wonderful arrangement. The en-suite bath includes recessed lighting, tile flooring and a white recessed vanity.

Indulge in a luxurious pool and spa area to take full advantage of the beautiful summertime weather!
