

The spacious formal dining area has gorgeous wood flooring and includes a wood burning fireplace. The walls are painted a vivacious orange and add to the home's artistic warmth.

An extensive kitchen awaits you as you turn the corner. The modern and light stained wood cabinetry, tile back splash, tile countertops and tile flooring all accentuate the expansive ambiance it provides. A side door also provides access to the backyard.

Soft orange hued walls provide a restful feeling when walking into the master bedroom. Durable, easy to clean tile flooring and generous storage space are added bonuses.

Each bedroom & bathroom has its own color and personality, creating a home with a vibrant and colorful ambiance.

Revel in the lush green landscaping this summer with your spacious backyard and patio!
