

3702 Heron Way, Palo Alto, 94303

3BR/3 BA | 1,218 sf | 2 car garage| Beautiful Modern Townhouse

This beautiful modern 3 bedroom, 3 bath townhouse was built in 2008, incorporating many green building standards including a 2.0kW photovoltaic panel.

The public areas have an open floor plan and are on a single floor. Light fills the home from a large south facing window which looks out over the raised private patio. Hot afternoon sun is partially blocked by a building across the public walkway.

The public areas on this main floor have an easy to clean wood laminate floor.

This beautiful home puts you within walking distance of several high-tech employers, the bayland nature preserve, and shops.
