

The spacious master suite has glass doors leading out to a balcony overlooking the wide green belt in front of the building.

The master bath has a large stained wood vanity with dual sinks, a stone vanity top, tile floors, a large shower, and a toilet located in its own room.

The large master walk-in closet provides ample space.

Raised panel doors, stained wood floor, and molding painted a contrasting color provide a rich luxurious ambiance to the bedrooms.

The second bedroom has its own bath with stained wood vanity, stone vanity top, tile floor and glass doored shower over tub.

The third bedroom is adjacent to the public area bathroom, giving each bedroom quick access to its own bath in the morning and the evening.
