

327 S. Baywood Ave., San Jose 95128

3BR/5.5BA | 2,600 sq. ft. | Upgraded Mixed Use Property | Near Santana Row

Whether you want to have your own business at the front of your home or you want to have a part-time residence where you work, this property is ideal for you. It is zoned for mixed use: both commercial and residential.

This property features a 611 sq ft. commercial rated office at the front. The office has room for 16+ workstations or multiple large executive desks. Adjacent to the office is a commercial style bathroom.

The office looks out over the front landscaping through a large bay window.

Great location for a medical office (O'Connor Hospital & Santa Clara Medical nearby), architect, tax firm, a small software start-up, or many others. Bustling Santana Row is around the corner.
