

4173 El Camino Real #36, Palo Alto

3BR/3.5BA | 2,010 sf | Built 1992 | Walk to Shops

This beautiful, spacious, end unit townhouse is part of a resort like complex. The actual unit is shown in the picture above. It is the right hand unit of the two unit building (the nearest building).

This lovely townhouse is designed to make outdoor enjoyment part of your lifestyle. The large, mostly covered deck is separated by a gated stucco wall from the common area swimming pool. The dining - living area on the second floor has a large balcony above the deck. The master bedroom on the third floor has a balcony above the second floor balcony. Yet another balcony is on the opposite side of the building, off the breakfast area (shown below).

Walk to nearby shops and restaurants including Hobeys, Fuki Sushi, Baja Fresh and more.

This unit has an inside laundry room and an attached, private, two car garage.
