

The bright and airy living area has a vaulted ceiling, skylights, windows and a sliding glass door. A wood burning fireplace adds charm on cold days. Wood floors add a natural ambiance.

The dining area is open to the kitchen through a pass-thru and situated beneath a skylight. The high vaulted ceiling and open living area create a charming dining experience.

The kitchen has stone counter tops and modern stainless steel appliances.

The bedrooms are located on their own floor providing separation between private and public areas.

Each of the bedrooms has a bath en-suite, carpeted floors, and sliding glass doors leading out to its own small balcony. Each bedroom has two closets with sliding doors.

Each bath en-suite has stone vanity tops, tile floors and cheerful white walls. One bath has a large walk-in shower with tile surround and glass doors. The other bath has a shower over tub with tile surround and glass doors.
