

The bright and airy living area looks out over the front yard. It is open to the dining area which provides views of the lush backyard.

The ceiling level windows and skylight allow wonderful natural light.

The gorgeous updated kitchen has plentiful counter and cabinet space. Top quality stainless steel appliances round out the features of a wonderful kitchen.

The open living, dining, and kitchen floor plan is space efficient and provides a comfortable open feeling.

The master bedroom has double glass doors opening out to the paver stone patio and lush backyard. The bath en-suite has a one piece synthetic vanity top with dual sinks.

Both of the other bedrooms are good sized and are near the hall bathroom.

The updated hall bathroom has a modern glass doored shower over tub.
