

Welcome to 3916 Louis Rd, Palo Alto

3 Bedroom - 3 Bathroom
Living space: 2,012 sq. ft.
Lot: 5,561 sq. ft.

Uncommon Eichler house with large family room which could be used as in-law quarters. Block wall at front of home gives it a unique character. Ceilings have kept the stained wood decking. Good sized side yard next to family room and dining room.

Forced air heating and foam room solve most common problems.

Looking to re-create the very desirable indoor/outdoor experience that attracted so many people to Eichler homes? This could be the perfect home for you. Original style stained wood roof decking with exposed white beams will let you achieve the feeling of nature inside. Back and side yards are a blank canvas for you to create your own vision of an outdoor paradise.

With both a living room and a spacious family room, each with a fireplace, you'll have room to meet your needs whether it is creating an in-law quarters, a game room, a huge master suite, or other use.
