

405 Mendocino Way, Redwood Shores, 94065

3BR/2.5 BA | 1,713 sq. ft. Remodeled Kitchen & Baths

This charming 3 bedroom, 2.5 bath townhouse has a spacious open living-dining area which looks out over the large back patio. A wood floor and tiled fireplace make it a very inviting area.

The kitchen has stained wood cabinets, tile counter tops, a five burner gas cooktop, stainless steel appliances, and a tile floor. At the end of the kitchen is a lovely breakfast room which has a large built-in china cabinet.

This townhouse also has an attached 2-car garage.

This lovely townhouse is located in a peaceful and desirable neighborhood having no through traffic. It is a short walk from Sandpiper Elementary and Sandpiper Community Center. Several cafes and shops are also within walking range.

The open common area located just behind this townhouse leads out to Redwood Shores Lagoon.
