

The spacious living-dining room provides you with great flexibility. Glass paned doors lead out to the large backyard patio. An open community area behind the backyard provides even more separation from the next townhouses.

The living area has a lovely tiled fireplace, wood floors and ample natural light from the south east facing windows and doors.

Bedrooms are ample sized with two of the bedrooms having walk-in closets.

The master suite features a vaulted ceiling, a private balcony, both a tub and a walk-in shower, a stained wood vanity with tiled counter top and dual sinks. The balcony provides a view of the swimming pool located behind nearby units.

The laundry closet is located in the upstairs hallway providing easy access to it from the bedrooms.

The second full bath has a glass doored shower over the tub.
