

The modern kitchen features white appliances, blonde recessed panel wood cabinets, granite counter tops, and a breakfast bar.

The current owner is a musician and has a piano in the dining area which is open to both the adjacent kitchen and the living area.

The living area opens to a small, lovely, covered balcony overlooking a peaceful, beautifully landscaped courtyard.

The bedroom provides ample space for a bed, an office space, and additional sitting. A large window provides both natural light and a view out over the charming courtyard.

The bathroom can be accessed directly from both the bedroom and the public portions of the unit. It provides both a separate walk-in shower and a shower over tub. The blonde recessed panel vanity with granite counter top matches the kitchen.

This unit's small laundry room is adjacent to the kitchen.
