

4 BEDROOMS | 2 BATHROOMS | 2,255 SQ FT LIVING SPACE

Set on a large lot at the end of a court having no through traffic, this lovely home can provide you with 4 bedrooms, 2 bathrooms, a wonderful open living - dining - kitchen area and a backyard that can accommodate many activities from entertaining to gardening. The updated kitchen with new cabinets and excellent appliances is a joy to use. The adjacent open dining room makes both meal preparation and dining especially friendly. The home is in near showroom condition. The master bedroom is especially large providing ample space for reading or an office work area.

You will surely fall in love with the family room. Oak plank floors, a vaulted ceiling with brown open beams contrasting against the white paint, and natural light filling the room from three sides with no homes close by make this room open yet private.
