

4 BEDROOM | 4 BATHROOM | LIVING SPACE: 2,356 SQ FT

This beautiful, newer three story townhouse is located in a quiet and warm complex with excellently planned landscaping. This spacious 4 bedroom, 3.5 bath townhouse was built in 2005. The living and dining area have ample space that gives family and friends a great place to gather and entertain; you can also enjoy the view of the complex and eastern hills from the living room. It has arched passageways leading to kitchen and butler's pantry. The open, modern kitchen features stone counter tops and stainless steel appliances. The breakfast area opens to the back patio with a lovely view of grass covered hillside. The patio is the perfect place for summer barbecues or outdoor dining.

The spacious master suite has a high ceiling, a bath en-suite with tub and a glass doored walk-in shower. All bathrooms have easy to clean, one piece synthetic, vanity counter tops. The entire home has beautifully finished hardwood floors and stone tile bath floors making cleaning easier.
