My Homes for Sale

Welcome to the City of Good Living.

This charming 3 bedroom, 2 bath, single story, completely renovated, rancher is tastefully remodeled throughout. This home will greet you with a lush front yard landscaped with drought tolerant native plants and mature fruit trees – Sweet Santa Rosa Plums, Peaches, Meyer Lemons and a row of Pineapple Guava bushes. Raised vegetable garden beds full of tomatoes and strawberries line the sunniest portion of the yard.

The home layout boasts a modern kitchen surrounded by 2 separate living spaces, looking out to a serene and peaceful woodland garden. Children can play with the water pump or play structure, while adults lounge on the seating or hang out in the private hot tub tucked around the corner.
