37 BREMERTON CIR | REDWOOD CITY

The main floor of this light-filled cheerful home is on the second floor with windows on three sides, creating a wonderfully open living and entertaining space having views in many directions. Just off the kitchen is a room perfect for studies or play. The kitchen has stained wood cabinets, granite countertops, and stainless steel appliances. Recessed lighting and pendants over the center island provide plentiful light. The large gas fireplace with a stone tile surround in the living room, gleaming wood floors, crown molding, and recessed lighting add to the rich modern ambiance. Also on this floor is a half bath, a closet, and a pantry.

The third floor has the master suite, two more bedrooms, a hall bathroom, and a laundry closet.
