DELIGHTFUL 4 BEDROOM

With no space wasted on long hallways, this home gives quick access to all rooms enabling your family to be nearby even when they have retreated to their own room to read or study. All rooms have hardwood or tile floors and overhead lighting, many with adjustable track lighting.

The spacious, high ceiling, living room is literally the center of the home. Its hardwood floor, red brick fireplace, and its openness to the dining and family room make the center of your home feel wonderfully open. The family room, adjacent to the dining room, has a sliding glass door leading out to the backyard patio.

The modern kitchen features stainless steel appliances, cheerful white raised panel cabinets, a high tile backsplash, and a tile floor.
