The beautifully remodeled spacious kitchen features plentiful stained wood, recessed panel cabinets, and a modern stainless steel gas range. The high, stone tile (travertine) backsplash is a perfect complement to the veined polished granite counter tops. A light tan tile floor complements the backsplash creating a thoroughly delightful area to prepare meals.

An oak floor, recessed lighting, and contemporary dry-stacked stone fireplace create a delightful ambiance in the spacious living room for entertaining or spending time with your family.
