Walk To Shops And The Farmers Market From This 4 Bed, 4 Bath, Condo
Luxurious living in a home with the space of a single family home but without the yardwork. Walk 0.4 miles to the California Ave Farmers Market, cafes, and shops. Two balconies put outdoor enjoyment at your doorstep. More outdoor activities are available at both Peers Park and the Stanford/Palo Alto Playing Fields, which are a short walk away.
The combined living-dining room features a wall of windows rising to the vaulted ceiling. A white stacked stone fireplace with tile hearth create a warm ambiance on cold days. The open beam ceiling and wood floor bring warmth to the modern design.
The kitchen has rich brown stained wood cabinets complementing the polished stone countertops and light colored wood floor. Modern stainless steel appliances make meal preparation easy and enjoyable. A light filled breakfast area puts casual meals next to the kitchen.
