Located between Woodside Hills and Emerald Hills neighborhoods, this home is ideal for those who want easy access to Silicon Valley but want to retreat from Silicon Valley's commotion when they go home. Woodside Road stores, shops, and cafes are only 3 miles away, while tennis courts and Canada College are a short walk away.

Upgrades throughout this home provide a beautiful modern experience that will keep you happy. The kitchen, filled with natural light from the living and dining rooms, has black modern appliances contrasting beautifully with the light colored wood cabinets, and granite countertops. The high mosaic tile backsplash with white, tan, grey, and black tiles blends the colors together. Both bathrooms feature modern decorator finishes and fixtures.
