Vaulted Ceilings, Half High Wall, Numerous Windows – Spacious Ambiance

If you are hoping to find a home with a spacious open ambiance, this home should be at the top of your to-see list. Both the living room and the family room on the ground floor have two story high vaulted ceilings. Large windows at typical heights are complemented by windows placed high on the walls. A half-high wall separates the living room from the family room building on the spacious ambiance.

The modern kitchen features white appliances, granite counter tops, a tile floor, an island, overhead recessed lighting, and under cabinet lighting. It is open to the breakfast area and family room. Numerous views of the backyard create a delightful meal preparation area.

Bedrooms have carpeted floors. The primary bedroom has a vaulted ceiling, a large en-suite bathroom, and walk-in closet. One bedroom is on the ground floor with an adjacent bathroom.
